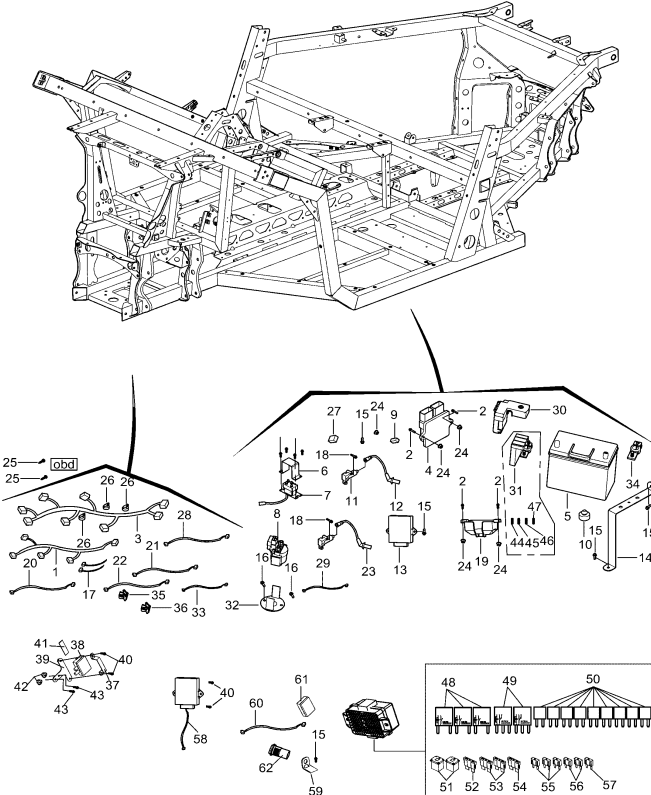

DIAGRAM 2026 ELECTRICAL COMPONENTS F22	Item #	SKU#	Description	QTY	Weights(kg)	Packing Size(mm)
 The diagram illustrates the electrical components for the F22 chassis. It includes a main chassis view with various components labeled with numbers. Below the chassis view, there are detailed wiring diagrams for the engine, battery, and rear tail light. The engine wiring diagram shows the engine wire harness (1) connected to the ECU module (4) and the starter relay (8). The battery wiring diagram shows the battery (5) connected to the winch controller box cap (6) and the winch relay and wire assembly (7). The rear tail light wiring diagram shows the rear tail light wiring harness (22) connected to the spark plug cable (23) and the hex flange locking nut (24). The diagram also shows the cargo box bottom rubber (10) and the ignition coil (11).	1	16709410001	Engine Wire Harness	1	0.579	358*160*70
